

Technical Data:	
Power:	3w
Lumens:	300L
CCT	2200 - 7000k
Voltage input:	Ac100-277v
Protection Rating:	IP66
Emergency time:	180 Minutes
Power factor:	>0.9
Certifications:	CE, UKCA, Ex, CB & ATEX
Dimensions (CM):	40.9 x 28.1 x 46
Lifespan:	>50,000 hours
Warranty:	3 years

introducing the Atex Zone 1 - 3W Exit Sign, the ultimate solution for your safety needs. With its cutting-edge technology and compliance with international standards such as IECEx, ATEX, and CB, this exit sign is designed to provide reliable illumination in hazardous environments.

Featuring a powerful output of 300 lumens and an impressive efficacy of 30LM/w, this exit sign ensures maximum visibility even in low-light conditions. The emergency period of 3 hours gives you peace of mind during unexpected power outages. With its durable construction and IP66 rating, this exit sign is built to withstand the harshest conditions. Measuring at 409x281x46mm, it is compact yet highly effective in guiding people to safety.

Not only does the Atex Zone 1 - 3W Exit Sign prioritize safety, but it also offers exceptional longevity with a lifespan of up to 50,000 hours. Say goodbye to frequent replacements and enjoy long-term reliability.
