

ECOMODE PHILIPS STREET LIGHT WITH PHOTOCELL 50W,100W,150W, 200W

Technical Data:	
Power:	20w 30w
Lumens:	20w - 75LM/W 1500Lm 30w – 82LM/W 2450Lm
CCT	6000k
Voltage input:	Ac 220 – 240v 50/60Hz
Surge Protection:	Yes 6KV
Protection Rating:	IP54
CRI:	>70
RIR Sensor Range:	8 – 12 Meters
Certifications:	CE & TUV
Dimensions (CM):	20w – 180 x 200 x 110mm 30w – 224 x 253 x 114.8mm
Lifespan:	30,000 hours
Warranty:	2 years

The Long Life PIR Floodlight by Dimond, designed to provide exceptional lighting for outdoor spaces. With a colour temperature of 6000k, this floodlight emits a bright and crisp light that enhances visibility. Equipped with a PIR sensor range of 8 - 12 meters, it ensures efficient motion detection and security. The floodlight boasts a high Colour Rendering Index (CRI) of over 70, ensuring accurate colour representation. With a lifespan of 30000 hours, it offers long-lasting performance and reduces the need for frequent replacements. Available in two variants, the 20w model delivers 1500 lumens of illumination, while the 30w model offers a higher output of 2450 lumens. Both options provide ample brightness for various outdoor applications. The floodlight features a wide beam angle of 110°, ensuring a broad coverage area and eliminating dark spots. Whether it's for residential or commercial use, This Long Life PIR Floodlight is a reliable and energy-efficient lighting solution that meets your outdoor lighting needs.
