

Standard LED Highbay | 100W, 150W, 200W, 240W | 4500-5700k | 170lm/w

Chips Type/Brand:	Sosen Lumileds
-------------------	------------------

Wattage	100, 150W, 200W, 240W
---------	-----------------------

IP Rating	IP65
-----------	------

Lumens	17,000lms, 25,500lms, 34,000lms, 40,800lms
--------	---

Colour Temperature	4500-5700k
--------------------	------------

Beam angle	120*
------------	------

Voltage input:	220-240v
----------------	----------

Lifespan:	>50,000 Hours
-----------	---------------

CRI	>80
-----	-----

IK Rating:	IK09
------------	------

Standard LED Highbay | 100w, 150w, 200w, 240w | 4500-5700k | 170lm/w

Working Temperature	-20°C ~ + 40°C
---------------------	----------------

Material:	Aluminium
-----------	-----------
