

## Beeston LED Low Bay | 5000K | 110W / 165W / 225W | 14,300–29,250 lm

Wattage:	110W	165W	225W
Max Lumens:	14,300lm	21,450lm	29,250lm
Colour Temperature:	5000K	5000K	5000K
Dimmable?	Yes 1-10v	Yes 1-10v	Yes 1-10v
Beam Angle:	120°	120°	120°
Voltage input:	100-240V	100-240V	100-240V
IP Rating:	IP20	IP20	IP20
Lifespan:	30,000 Hrs	30,000 Hrs	30,000 Hrs
CRI:	>80	>80	>80
Working Temperature:	-20~+55°C	-20~+55°C	-20~+55°C
Power Factor:	0.97	0.97	0.97
Warranty:	3 Years	3 Years	3 Years
Dimensions/Cut out:	605x320x96mm	605x440x96mm	1200x440x96
Certificates:	CE & RoHS	CE & RoHS	CE & RoHS
Material:	Metal	Metal	Metal
Application:	Factories, warehouses, sports halls, retail spaces, workshops, distribution centres, assembly lines, industrial production areas, large commercial spaces, indoor storage facilities	Factories, warehouses, sports halls, retail spaces, workshops, distribution centres, assembly lines, industrial production areas, large commercial spaces, indoor storage facilities	Factories, warehouses, sports halls, retail spaces, workshops, distribution centres, assembly lines, industrial production areas, large commercial spaces, indoor storage facilities
